HELP US SAVE LIVES

Consider making an additional donation to Pet Network. All donations to Pet Network Humane Society are tax deductible and help us save the lives of animals in need. The average cost for Pet Network to spay/neuter, vaccinate, and microchip each animal is about \$450. Would you like to make a donation today?

Yes No Amount _____

IN ORDER TO BE CONSIDERED AS AN ADOPTER, YOU MUST

- Be 18 years of age or older.
- Have photo identification with you.
- Have the knowledge and consent of your landlord, spouse and/or roommates if applicable.
- Be able and willing to spend the time and money necessary to provide training, medical treatment, and proper care for a pet.

The following information is requested so that your adoption counselor can assist you in the selection of a new pet. The animal's welfare is our foremost consideration. The consultation process is designed to help us determine if the adoption is in the pet's best interest, and to assist you in finding a companion animal most compatible with your lifestyle.

The companion animals available for adoption came to us from a variety of places. Even though all pets that leave our center have had health checks, there is always a chance that one may be incubating a disease without showing any clinical signs. Therefore, we recommend that you take your new family member to a veterinarian for a health check within the first two weeks of the adoption.

Pet Network Humane Society reserves the right to refuse adoption to anyone for any reason.

No animal will be adopted to prospective owners who mislead or fail to provide accurate information on the adoption application. Pet Network also reserves the right to periodically call and check on the animals. As a condition of adoption, you agree to allow Pet Network staff access to your pet for the purpose of a wellness check. You understand and agree that animals found in inappropriate or dangerous conditions will be immediately relinquished to Pet Network staff.
