minus all Outcomes (R+V). -----> 17 89 106

If your reported Ending Count does not match these numbers, please go back through your data and be sure you didn't miss something (i.e., animals in foster, adoptions, transfers, etc.). If all animals have been accounted for and the reported Ending Count is different, please indicate in the comment section.

COMMENTS: Two cats not counted in inventory. Foster adopted for no fee - staff forgot to process adoption

I agree that in completing this form, we have used the Maddie's Fund definitions of "Healthy," "Treatable - Manageable," "Treatable - Rehabilitatable," and "Unhealthy & Untreatable" as set forth in the attached document titled, "Maddie's Fund[®] Categorizations/Definitions of Shelter Animals."
